CONCURRENT SESSIONS: Participants are enrolled into a total of four sessions for the weekend. Select your first (1), second (2) and third (3) choice in EACH SESSION. Each session is four hours long. You will not be placed in the same class twice unless you request a repeat of a class. Please pay attention to prerequisites. Write your choice on the blank line by number. First choice = 1, etc.

Please make three choices for each session (in the event a selection is full). Classes fill quickly. We do our best to give you your first choices - that is not always possible. Please consider when selecting, that it is difficult to switch classes around for people after everyone has been placed in a class. We will place you in your second or third choice if your first selection is not available.

If you must cancel less than 14 days prior to the workshop, you will not be eligible for a refund. An alternative to losing your payment is to find a replacement. The new person must contact us and agree to take the classes that you chose and fill out any other required forms.
